

FRANCISCO ZENI — PORTFOLIO

Biography — Francisco Zeni

My name is Francisco Zeni, I am 26 years old and originally from Junín, Buenos Aires, Argentina. I have been dancing tango for more than 15 years, developing both my artistic and technical journey within the traditional and contemporary tango scene.

Throughout my career, I have participated in several competitions, becoming champion and runner-up of the Buenos Aires Provincial Tournaments. I also had the opportunity to perform internationally, dancing on renowned stages such as Teatro Isabel La Católica in Spain and Teatro Juárez in Mexico.

My work includes giving tango workshops in both tango salón and tango escenario, as well as being part of different tango companies and artistic productions. I trained with highly respected tango masters in Buenos Aires, deepening my style, musicality, and stage expression.

Currently, I live in Buenos Aires (CABA), where I work professionally as a tango dancer and instructor, performing in shows, collaborating with cultural projects, and teaching both group and private lessons to local and international students.
