International Negotiation

A Journal of Theory and Practice

Aims & Scope

International Negotiation examines negotiation from many perspectives, to explore its theoretical foundations and to promote its practical application. The journal addresses the processes of negotiation relating to political, security, environmental, ethnic, economic, business, legal, scientific and cultural issues and conflicts among nations, international and regional organizations, multinational corporations and other non-state parties.

Editor-in-Chief

Bertram I. Spector, Center for Negotiation Analysis, Potomac, MD, USA

The Editorial Board is comprised of the core members of the *Washington Interest in Negotiation (WIN) Group*. WIN is a group of scholars and practitioners meeting in Washington since 1987 to discuss research on negotiation and practical import. The Group includes analysts from the Johns Hopkins University, the State University of New York at Buffalo, the National Academy of Sciences, the Brookings Institution, Temple University, the United States Institute of Peace, and George Mason University, among others. It meets under the auspices of the Nitze School of Advanced International Studies of the Johns Hopkins University.
