PROCEDENCIA:

BRIEFING

- 4 Round 1: A warm-up
Parliament and Ukrainian presidential election: action and reaction

POLITICS

- 7 Backlash of problems
Michael Binyon (London)
on the measures Europe can apply to former ISIS militants
- 8 Gas clinch
Why government oversight over big business is just as important as privatization

FOCUS

- 10 The spirit of protest
What makes it so hard to assess the impact of the Revolution of Dignity on Ukrainian society today
- 14 Chronicle of victims
General information about the victims and those killed during the Maidan for the entire time of the protests
- 16 Candidates with compass
Electoral preferences according to the map

ECONOMICS

- 18 New ways to solve the old problems
Why we cannot allow the newly introduced electricity trade market to turn into a handy tool of concealing deep problems in the sector?
- 21 The mirror of development
What the structure of investments in the economy of Ukraine signals about
- 24 Where's brotherly Russia when you need it?
Economic decline is destroying occupied Donbas even faster than the armed conflict at this point

SOCIETY

- 26 What's in a campaign platform?
What are the main candidates for president proposing in their platforms and how have these changed from what they proposed five years ago
- 29 The nomadic state
What is unique about Ukrainian migration and how it impacts national identity
- 32 Betting on zero
How the current and former leadership of the self-declared republics in occupied Donbas see the upcoming elections for President of Ukraine

HISTORY

- 34 Essence and specificity of the Russian-Soviet power
What political system they are trying to restore in Russia today
- 37 Punitive psychiatry and its victims
How dissidents were punished in an era of a "real socialism"
- 40 "Born in the great hour"
How Yevhen Konovalets managed the Organization of Ukrainian Nationalists as it turned to follow the course of Halychyna youth

CULTURE & ARTS

- 44 Telnyuk Sisters: "It won't be easy, but we should always see light at the end of the tunnel"
Famous duo talks about how contemporary Shevchenko and Stus are today, the artistic comprehension of the Maidan, and the lessons of the Revolution of Dignity
- 46 Behind the camera
What is happening with documentaries during the revival of Ukrainian cinematography
